Yes, we would like to participate!

Please join the West Valley City Clean & Beautiful Committee at the 2nd annual
West Valley City Spring Fest and Earth Day Celebration
on Thursday, April 20, 2017.

- The event is located in the Fairbourne Station Promenade.
- Because this is a FREE event for you and for the public, participants are expected to provide their own canopy, tables, and chairs.
- Please plan to weight down your canopies as the majority of the vendors will be located on concrete surfaces.
- No power connections will be available on site.
- We are asking that ALL booths be information only and that there be limited product sales at the event.
- IF product sales are required as part of your participation, your registration will be considered by the Clean & Beautiful Committee for approval. IF approval is given, you will be required to contact the WVC Business Licensing Office to obtain a REQUIRED license for the event.
- Please attach a quick description of what they will be doing at the event along with a .jpg of your logo to be used in social media posts and on the event website.
- Please contact the WVC Neighborhood Services Office if you have additional questions about the event OR to request a space.
